CONSIGNMENT POLICY

What Sells Best

Thank you for shopping Top Drawer Consignment Furniture. When consigning, all furniture and home accessories must be in ready-to-sell condition. Items must be clean, without tears, stains and pet hair, etc. We accept items based on the simple policy of "what sells best." We reserve the right to decline items based on their condition and our inventory needs.

Pricing

We reserve the right to set the original price and to offer these items on a sale or discounted basis. All items remain active on our sales floor for 60 days. Full price will be charged for the first 14 days. A 10% off discounted price will be offered every 14 days thereafter. A \$5.00 item fee is added to the price of each item and charged to the buyer. The term will begin the first day each item is put on the sales floor. Specific price requests must be made upon drop-off.

Payouts

We pay out on a 50/50 split. You will receive 50% of the selling price. If we price an item at \$1000 or more, you will receive 60% of the selling price. **All payouts are done at the store.** Payouts are available 3 days after the items have sold. Payouts are valid up to one year after the expiration date of that item.

Pick-up/Delivery

We offer pick-up and delivery of furniture as follows:

A \$35 charge for all deliveries within the Traverse City limits.

A \$50 charge for all deliveries outside the city limits and within Grand Traverse Co. Deliveries outside of Grand Traverse County may be arranged and price individually.

Unsold Items

Each item has a term of 60 days on our sales floor. After 60 days, unsold merchandise becomes the property of Top Drawer Consignment Furniture. These items may be sold or donated to a local charity. If you would like any of your items back, **it is your responsibility to come in to pick them up before the 60-day deadline.**

Top Drawer Consignment Furniture is not responsible for loss due to theft, fire or unforeseen incidents. Insurance for items, if desired, is to be provided by the consignor. Additional changes may be made to the consignment policy at our discretion and are binding on the date of the change. Updated copies of the Top Drawer Consignment Furniture consignment policy are always available upon request.
